Your Credit Union

Your Credit Union is unique in the financial world. It is a co-op owned by you and your fellow members and operated in your common interest. Your Credit Union is not-for-profit and exists only to serve you. As a Credit Union member, you own, operate, and control your Credit Union through your Board of Directors. You are entitled to elect and be elected to the volunteer Board of Directors, which is composed of your fellow members and manages the Credit Union based on the needs and wishes of the members. The Board of Directors sets dividend rates, loan interest rates and fees, among other things, and also determines Credit Union policy such as that set forth in this Agreement. The Credit Union reserves the right to change any and all terms and conditions of any of them. In addition, your Credit Union works cooperatively with Maine's other Credit Unions and the Maine Credit Union League, pooling resources for research and development of cost effective services which benefit not only you and your fellow Members, but all Credit Union members in Maine.

Important information about procedures for opening a new account. To help the federal government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

General Terms of Membership

This Agreement contains the terms and conditions governing your membership in and accounts offered by your Credit Union. By signing your membership card and/or account agreement(s), you accept and agree to be bound by the provisions as set forth in them, this Agreement, the rate and fee disclosures applicable to your account(s) with your Credit Union, your Credit Union's charter and bylaws, and any amendments or changes in terms to any of them, and all of them are incorporated into and made a part of this Agreement for your reference. You will receive notice of any changes in terms in accordance with all applicable state and federal laws and regulations.

The terms and conditions as set forth in this Agreement are applicable to all types of accounts offered by your Credit Union. There may be different or more specific terms and conditions which apply to certain accounts. Those different or specific terms are contained in the application, share certificate, agreement, or other documents evidencing the account. To the extent that there are different terms or terms which are not included in this Agreement or those documents, such terms supersede this Agreement.

Privileges of Credit Union membership. Being a Credit Union member carries with it many privileges, including the ability to open accounts other than ordinary share accounts, such as checking accounts; to make and receive electronic funds transfers and wire transfers; and to obtain loans and lines of credit. However, it is your Credit Union's policy to deny these privileges to members who cause a loss to the Credit Union for any reason. Therefore, if you cause a loss to your Credit Union, and thus to your fellow members, you will lose your privileges of Credit Union membership.

Account ownership. You can structure the ownership of your account(s) at your Credit Union in a variety of ways. Rights and obligations relating to the account will depend on the type of ownership on the account. Ownership interest in your account and any other associated accounts will be governed by the account contract established between the account owner(s) and the Credit Union.

Sole accounts. If you are the sole owner of an account, only you can make withdrawals or otherwise have access to the funds in the account. Upon death, the funds in the account are distributed in accordance with the terms of your will, or, if you do not leave a will, the intestacy laws of the state of your residency.

Joint accounts. A joint owner has an equal right of access to the funds in a joint account and can withdraw all of the funds in the account to transact any business for the account at any time without the permission from or notification to the other joint owner(s). At the death of one joint owner, the funds automatically belong to the surviving joint owner(s). Joint owners do not have to be Credit Union members.

Payable on Death Accounts. Payable on death accounts belong to the person(s) listed as the owner or owners of the account during their lives. On death, the funds automatically belong to the person or persons designated as payable on death beneficiaries.

Organizational Accounts. The funds in an organizational account are owned by a corporation, trust (including a living trust), partnership, association, etc. In order for the organization to be a Credit Union member, eligibility requirements must be met in accordance with the Credit Union's charter or bylaws.

Accounts for Minors. We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdrafts, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction.

Lien on shares. A lien will be impressed on all of your Credit Union shares and share dividends in an amount equal to that which you may owe your Credit Union because of a loan, dues, or any other charges payable by you to your Credit Union. The lien may be enforced and your funds withdrawn and applied to your debt without further notice to you except where required by law, if you default in paying the amount you owe.

Termination of account. We may terminate your account or restrict access to your account at any time or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account at the Credit Union or at any other financial institution; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any share drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been a misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate a sole account by giving written notice. We reserve the right to require the consent of all owners to terminate a multiple owner account. We are not responsible for payment of any draft, withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us. Your regular Credit Union share account cannot be closed until all amounts you owe the Credit Union are paid in full and all associated accounts that you have with the Credit Union are closed.

Account statements. The Credit Union utilizes a consolidated statement for your accounts, account services, loans and other services with us. You agree that all owners, joint owners and authorized signatories on your account may change the address that the statement is delivered to without your express consent, including statements delivered in electronic form.

Death of a sole account owner. We may continue to honor all transfer orders, withdrawals, deposits, and other transactions on a sole account until we are notified of an account owner's death. Once we are notified of a sole account owner's death, we may pay drafts or honor other payments or transfer orders authorized by the deceased account owner for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the drafts or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This agreement will be binding upon any heirs or legal representatives of any sole account owner.

Endorsements. All check endorsements must be made in the first one and one-half inches of the trailing edge of the back of the check. The trailing edge is opposite the left side of the face of the check. You will be responsible for any costs incurred by your Credit Union due to delays in returning checks deposited into your account that do not comply with these endorsement standards.

Share insurance. Funds in your accounts at your Credit Union are insured to at least \$250,000 by the National Credit Union Administration (NCUA), an agency of the United States Government. If you would like more information about your share insurance, a pamphlet, "Your Insured Funds", is available upon request.

Governing law. The rights, duties, obligations, and liabilities of you and your Credit Union in connection with your membership and account(s) are and shall be controlled by Maine and/or federal law as applicable and in effect at the time the rights, duties, obligations, and liabilities arise, other than as specifically set forth in this Agreement, your Credit Union charter and bylaws, or your specific account documentation.

Business commercial members. Unlawful internet gambling enforcement act notice. Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic funds transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in illegal or unlawful Internet gambling.

Complaint resolution procedure. If you have a dispute with your Credit Union regarding your account(s), you may contact your Credit Union's complaint representative or department and attempt to resolve the problem directly with your Credit Union. If your Credit Union fails to resolve the problem, write a letter detailing the problem and the resolution you are seeking to: Maine Bureau of Financial Institutions, Consumer Outreach Program, 36 State House Station, Augusta, Maine 04333-0036.

To file a complaint electronically, you may contact the Bureau of Financial Institutions at the following Internet address:
<http://www.maine.gov/pfr/financialinstitutions/complaint.htm>

The Bureau of Financial Institutions will acknowledge receipt of your complaint promptly and investigate your claim or refer it to the appropriate federal supervisory agency and inform you to whom it has been referred. You will be informed of the results of any Bureau of Financial Institutions investigation.

If we determine there was no error, we will send you written explanation within three (3) business days after we complete our investigation. - Only Checks and other methods approved by the Credit Union may be used to withdraw funds from this Account;

- The use of the Checking Account is subject to such other terms, conditions and requirements as the Credit Union may establish from time to time.

If you request, (1) you will be informed whether or not consumer reports were obtained; and (2) if reports were obtained, you will be informed of the names and addresses of the consumer reporting agencies (credit bureaus) that furnished the reports.

The Credit Union is hereby authorized to recognize any of the signatures authorized on the account for the payment of funds or the transactions of any business for this account. The joint owners of this account hereby agree with each other and with the Credit Union that all sums now paid in on shares, or heretofore or hereafter paid in on shares by any or all of said joint owners to their credit as such joint owners with all accumulations thereon, are and shall be owned by them jointly, with right of survivor or survivors shall be valid and discharge the Credit Union from any liability for such payment.

The right or authority of the Credit Union under this agreement shall not be changed or terminated by said owners, or any of them except by written notice to and consent of the Credit Union which shall not affect transactions theretofore made.

Regulation CC: Funds Availability Policy Disclosures

Important information on deposits, holds, and withdrawals. Your ability to withdraw funds at Maine State Credit Union

General policy. Our policy is to make funds from your deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and state (Maine) and federal holidays. If you make a deposit before 4:30 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 4:30 p.m. or on a day we are not open or in a night depository, we will consider that the deposit was made on the next business day we are open.

Reservation of right to hold. In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, at least the first \$225 of your deposit will be available on the first business day after the day of your deposit.

Longer delays may apply. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the fifth business day after the day of your deposit. The first \$225 of your deposits, however, may be available on the first business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available on the first business day after the day of your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Holds on other funds. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Deposits at automated teller machines. Cash deposited in our own automated teller machines (ATM's) will be made available the same business day in which your deposit is made. Funds from any checks deposited in our own ATM's will generally be made available the second business day after the day of your deposit. The Credit Union may, but is not required to, make such funds available sooner. The Credit Union may also delay availability for reasons including but not limited to fraud, check alteration and endorsement errors. Funds from any deposit (cash or check) made at ATM's which your Credit Union does not own or operate will not be made available until the second business day after the day of your deposit. ATM's that we own and operate are identified as our own machines.

Deposits at shared branching facilities. Funds from any check deposit made at shared branching facilities will generally be made the available the second business day after the day of your deposit. The Credit Union may, but is not required to, make such funds available sooner. The Credit Union may also delay availability for reasons including but not limited to fraud, check alteration and endorsement errors.

Special rules for new accounts. If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash and the first \$5,525 of a day's total deposits of cashiers, certified, teller's, travelers, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. The checks must be payable to you. The excess over \$5,525 will be available on the fifth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will generally be available no later than the seventh business day after the day of your deposit.

Remote Deposit Services (Mobile Deposit)

About: The remote deposit capture services ("Mobile Deposit") are designed to allow you to make deposits to your accounts from your camera-enabled mobile device capable of capturing check images and information and electronically delivering the items and associated deposit information to the Credit Union or the Credit Union's designated processor. The device must capture an image of the front and back of each check to be deposited; must read and capture the magnetic ink character recognition ("MICR") line on each check; and must read and capture all such other data and information as is required by this agreement or Federal Reserve regulations for the processing of these checks for payment. The Credit Union offers the benefits and convenience of Mobile Deposit to you at no cost. The Credit Union reserves the right to charge fees for Mobile Deposit in the future.

Eligible Items: You agree to scan and deposit only checks as that term is defined in Federal Reserve Regulation CC ("Reg CC"). You agree that the image of the check transmitted to the Credit Union shall be deemed an "item" within the meaning of Article 4 of the Uniform Commercial Code as adopted in Maine (such scanned check image transmitted to the Credit Union for credit to your account, a "Remote Item"). You agree that you will not use Mobile Deposit to scan and deposit checks or items that: (a) are payable to any person or entity other than you; (b) contain obvious alteration to any of the fields on the front of the check or item, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn; (c) were previously converted to a substitute check as defined in Reg CC without the Credit Union's prior written consent; (d) were previously converted to an image replacement document as defined in Reg CC without the Credit Union's prior written consent; (e) are drawn on a financial institution located outside the United States; (f) are remotely created checks, as defined in Reg CC; (g) are not payable in United States currency; (h) are dated more than six (6) months prior to the date of deposit; (i) are prohibited by the Credit Union; (j) are in violation of any federal or state law, rule, or regulation; or (k) are otherwise not acceptable under the terms of your Credit Union account.

Image Quality: The image of an item transmitted to the Credit Union using Mobile Deposit must be legible and contain images of the front and back of the check. The image quality of the items must comply with the requirements established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring that all information can clearly be read and understood by sight review of the check image.

Endorsements and Procedures: You agree to restrictively endorse any item transmitted through Mobile Deposit as "for Mobile deposit only, member #, date, signature, MSCU" or as otherwise instructed by the Credit Union. You agree to follow any and all other procedures and instructions for use of Mobile Deposit as the Credit Union may establish from time to time. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. For a check payable to you and any joint owner(s) of your Credit Union account, the check must be endorsed by all such payees and you may only use Mobile Deposit to deposit such checks into a Credit Union account jointly owned by all such payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and any non-joint owner, you may not deposit the check into your Credit Union account using Mobile Deposit.

Receipt of Items: We reserve the right to reject any item transmitted through Mobile Deposit, at our discretion, without liability to you. We are not responsible for items we do not receive or for images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation from the Credit Union that we have received the image. Receipt of such confirmation does not mean the transmission was error free or complete. Following receipt of such confirmation, the Credit Union will process the image by preparing a “substitute check” or clearing the item as an image.

Availability of Funds: You agree that items transmitted through Mobile Deposit are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. Funds deposited using Mobile Deposit will generally be made available the 2nd business day after the day you make your deposit. The Credit Union may, but is not required to, make such funds available sooner. The Credit Union may also delay availability for reasons including but not limited to fraud, check alteration and endorsement errors.

Disposal of Transmitted Items: After you receive confirmation that we have received an image, you must securely store the original check for 14 days after transmission to us and make the original check accessible to us at our request. Upon our request, you will deliver to us within two business days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after the 14-day retention period expires, you must destroy the original check by first marking it “VOID” and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of the original check, the image will be the sole evidence of the original check. You agree that you will never represent the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid. For purposes of this Agreement, a “business day” means any weekday, excluding the following days: any federal banking holiday observed by the Federal Reserve.

Returned Deposits: All credits deposited to your accounts using Mobile Deposit are provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the financial institution the item was drawn from, or are rejected or returned by a clearing agent or collecting Credit Union, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

Mobile deposit security. If you are unable to complete your deposit promptly, you will ensure that your mobile device remains securely in your possession until the deposit has been completed. It is your responsibility to establish and maintain procedures to safeguard against unauthorized deposits. You will notify us immediately by telephone at 207-623-1851 or with written notice at Maine State Credit Union, PO Box 5659 Augusta, Maine 04332, if you learn of any loss or theft of original checks. You will ensure the safety and integrity of original checks from the time of receipt until the time of destruction. If warranted in our reasonable judgment, we may audit and monitor you, and you agree to cooperate with us to permit such monitoring, to confirm that you have satisfied your obligations under this Agreement.

Deposit limits. We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using Mobile Deposit and to modify such limits from time to time.

Errors. You agree to notify the Credit Union of any suspected errors regarding items deposited through Mobile Deposit right away, and in no event later than thirty (30) days after the applicable Credit Union account statement is sent. Unless you notify the Credit Union within thirty (30) days, such statement regarding all deposits made through Mobile Deposit shall be deemed correct, and you are prohibited from bringing a claim against the Credit Union for such alleged error. Contact us by telephone at 207-623-1851 or with written notice at Maine State Credit Union, PO Box 5659 Augusta, Maine 04332 or through our Online Banking message board

Regulation J: Funds Transfers

You may desire to initiate a funds transfer using your Credit Union, and your Credit Union may receive funds transfers for credit to an account of yours at your Credit Union, or for further transfer on your behalf. Transfers sent or received by you or on your behalf may go by Fedwire. Regulation J governs Fedwire. In addition to the specific provisions of Regulation J, this part of the Agreement is applicable to all such funds transfers.

Security procedure. Your instructions specifying the terms and conditions of funds transfers will be verified according to the Credit Union’s security procedure. Members who wish to perform fund/wire transfers are required to complete a Fund/ Wire Transfer Agreement. The Fund/Wire Transfer Agreement is kept on file at the Credit Union. A Fund Wire Transfer Request Form will be completed for each fund/wire transfer requested. For all wire transfer requests taken in-person, members will be required to show government issued photo identification. For wire transfer requests that are not taken in-person (i.e. telephone, fax), a member chosen password or a verification call back to a telephone number already on our data processing system will be required.

Inconsistencies in orders. You acknowledge and agree that your Credit Union and the beneficiary’s (funds transfer recipient) financial institution in the funds transfer may rely on the number in a payment order that identifies the beneficiary, even if it identifies a person different from the person identified by name in the payment order, if the beneficiary’s financial institution does not know of this inconsistency. You also acknowledge and agree that your Credit Union may rely on a number in a payment order which identifies an intermediary financial institution or beneficiary’s financial institution, even if it identifies a financial institution different from the financial institution identified by name in the payment order, if your Credit Union does not know of the inconsistency. Your Credit Union has no duty to detect any such inconsistencies.

Notice. For each funds transfer you receive at your Credit Union, you will receive notice of the transfer by having the amount received posted to your records or by some other mutually agreeable means. Your Credit Union is not required to give you a notice of receipt and will not do so. Your Credit Union will, however, notify you of the receipt of payments in any periodic statements that your Credit Union provides to you.

Provisional credit. Credit given by your Credit Union to you with respect to a funds transfer is provisional until your Credit Union receives final settlement for the transfer through a Federal Reserve Bank. If your Credit Union does not receive such final settlement, you acknowledge and agree that your Credit Union is entitled to a refund of the amount credited to you or your account(s) in connection with the transfer. In the event that your Credit Union does not receive final settlement, you acknowledge and agree that your Credit Union may reverse the entry on its records and adjust your account(s) accordingly. The party making payment to you via such transfer shall not be deemed to have paid you the amount of the credit.

Interest and/or dividends. If your Credit Union is obligated to pay interest or dividends with respect to any funds transfer, the amount payable shall be limited to the interest or dividend rate paid on the account to which the funds transfer is or should have been made or from which the transfer actually or should have occurred, as applicable.

Instructions. Your Credit Union is not obligated to accept any instruction(s) from you relating to any funds transfer. If your Credit Union rejects a payment order you issue, you will be notified of the rejection in writing. However, there are exceptions. We will not be liable, for instance:

- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- If the transfer would result in your overdraft line exceeding its limit.
- If we have reason to believe that the transfer may be unauthorized, fraudulent, illegal or otherwise improper.

Confidentiality. Here are the circumstances under which we will disclose information to third parties about your account or the transfers you make; (1) When necessary for completing transfers, (2) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, (3) In order to comply with government agency or court orders, (4) If you give us your written permission, and (5) As permitted by applicable law.

VISA DEBIT CARDHOLDER AGREEMENT

If we have issued a VISA Debit Card ("Card") to you, you agree to the terms of this Agreement.

Personal Identification Number (PIN). This is your "remote banking signature." You are responsible for maintaining its confidentiality. The PIN should be memorized and not written, in order to prevent its unauthorized use, and so that you may report its loss or theft accurately.

Authorized Use. Only you are authorized to deposit or withdraw funds to or from your account(s) with the use of the VISA Debit Card or to make transactions that use the information on your VISA Debit Card. When using the VISA Debit Card at participating merchants, financial institutions, remote facilities or other locations, positive identification may be requested of you prior to any transaction. You agree that you will not use or allow anyone else to use your Card or PIN for any transaction that is illegal under applicable federal, state, or local law. You are responsible for all withdrawals (debits) from your account made by anyone else to whom you give your Card or PIN. If you suspect unauthorized use, you should notify us immediately so that we can block the Card and/or your account in an attempt to prevent future losses.

If the account accessed with the Card is not a checking account, you may make only six (6) PIN based transactions each month and cannot perform non PIN based transactions (such as processing the Card as a credit card during a point of sale transaction). If the account accessed with the Card is a joint account, "you" includes all account owners.

Non-VISA, PIN Debit Card Transactions. We allow non-VISA debit transaction processing. This means you may use your VISA Debit Card on a PIN-Debit Network (a non-VISA network) without using a PIN to authenticate your transactions. The non-VISA debit networks for which such transactions are allowed are ACCEL/Exchange and PLUS.

Examples of the types of actions you may make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (for example, via telephone, internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to use direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through the use of a PIN.

Examples of the types of actions that you may be required to make to initiate a VISA transaction using your VISA Debit Card include signing a receipt, providing the Card number over the phone or via the internet, or swiping the Card through a point-of-sale terminal

The terms and conditions of this Agreement as applicable to VISA debit transactions do not apply to non-VISA debit transactions. For example, the additional limits on liability (sometimes referred to as VISA's zero-liability standards) and the streamlined error resolution procedures available for VISA Debit Card transactions are not applicable to transactions processed on a non-VISA PIN-Debit network.

Delays in Posting Transactions. Due to the nature of the debit card system, there will be delays between the time of any activity on your account(s) and the time it is reflected in our records of your account(s). This may affect your available balance.

Fees and Overdrafts. A transaction resulting in a withdrawal from or a deposit to your account using the VISA Debit Card or your PIN or other information which could provide electronic access to your account is considered the same as any other type of withdrawal or deposit for purpose of our Rate and Fee Schedule. The type of account determines if and when a fee will be assessed. Unless you have opted in to our Member Privilege Overdraft Protection Program, we will not process an ATM or one-time debit transaction that would create a negative balance in your account. If other withdrawals create a negative balance in your account, you agree to repay to us the amount of the overdraft, plus overdraft charges in the same manner as any other overdraft on your account. Please see our Rate and Fee Schedule for current charges.

Foreign Transaction Fee. A 1% international transaction fee will be assessed on all transactions where the merchant country is not the United States. The converted transaction amount will be shown separately from the international transaction fee on your account statement. This fee will be assessed on all international purchases, credit vouchers, and cash disbursements. VISA charges 0.8% for international transactions that do not involve currency conversions. The exchange rate for transactions in a foreign country is the rate selected by VISA from the range of rates available in wholesale currency markets on the applicable central processing date, which rate may vary from the rate VISA itself receives, or the government mandated rate in effect for the applicable central processing date plus the 1% international transactions fee. VISA assesses a cash disbursement fee of US \$1.25 on international ATM transactions where a surcharge fee has not been assessed. VISA also assesses a cash disbursement fee of US \$0.50 on international ATM transactions where a surcharge fee has been assessed.

Cancellation. Your Card and PIN remain our property and immediate surrender of either may be required by us at any time. We may cancel the Card, PIN and/or electronic fund transfer privileges at any time without notice or cause. Any cancellation or termination does not affect any of your existing liability to us. We expressly disclaim all warranties that the components of the EFT system, including, but not limited to, Cards and terminals, will function properly or be available for use.

Agreement Modification. This Agreement may be amended by us without prior notice to you when such a change is immediately necessary to maintain or restore the security of the system accounts; however, we will notify you in writing at least twenty-one (21) days prior to the effective date of any change in any term or condition of this Agreement, if such change would result in greater cost or liability for you or decreased access to your account. You will also be notified of other changes or amendments and your continued use of the Card or PIN signifies your consent to such changes and amendments.

Notification Procedures. If you believe that your Card, PIN or any other information pertaining to your account has been lost or stolen, or that someone has transferred or may transfer money from your account without your permission, contact us at once at 207-623-1851 or 800-540-8707, email us at contactus@mainestatecu.org, or write us at Maine State Credit Union, PO Box 5659, Augusta, Maine 04332 as soon as you can. After business hours, please call 1-800-472-3272. See the Regulation E Disclosure for Error Resolution and Liability Limits.

Joint accounts. All Cards must be returned to us prior to the addition or deletion of a name from any account that may be accessed by a Card. Your PIN may provide access to all of your accounts at the Credit Union, and joint owners may have access to all of them, including accounts owned singly by you or jointly by you and other persons.
